It is the mission of the Sublette County Fair Board to produce a wholesome, entertaining, and educational fair, which enhances the spirit of community, supports and provides a venue for the 4-H and FFA programs, and will showcase the rural heritage of Sublette County and the surrounding area.

ALCOHOL POLICY

2026

Together, the Sublette County Fair Board, Sublette County Fairgrounds, and the Sublette County Sheriff's Office will be working to curb juvenile and underage drinking at the fair. Please review our policies.

- Drinking alcohol by anyone under 21 is not allowed on the fairgrounds. Violators will be considered trespassers and will be removed from the fairgrounds.
- No coolers will be allowed at any event.
- All alcohol products on the fairgrounds must be secured when not attended (in a locked cooler, stored inside a fridge, etc).
- No alcohol is allowed in any building while 4-H or FFA events are being held.
- No glass bottles are allowed on the fairgrounds.
- No alcohol products may be left unattended at any time, for any reason.

Violations of any of these rules by 4-H or FFA members will result in disqualification from any and all Sublette County Fair contests, events, and shows, including the livestock sale. Any awards already received will be forfeited. Violators will be asked to remove their animal(s) and/or exhibit(s) immediately.

GENERAL RULES & REGULATIONS

2026

Alcohol Policies for the Sublette County Fair

Together, the Sublette County Fair Board, Sublette County Fairgrounds, and the Sublette County Sheriff's Office will be working to curb juvenile and underage drinking at the fair. Please review our policies.

- Drinking alcohol by anyone under 21 is not allowed on the fairgrounds. Violators will be considered trespassers and will be removed from the fairgrounds.
- No coolers will be allowed at any event.
- All alcohol products on the fairgrounds must be secured when not attended (in a locked cooler, stored inside a fridge, etc).
- No alcohol is allowed in any building while 4-H or FFA events are being held.
- No glass bottles are allowed on the fairgrounds.
- No alcohol products may be left unattended at any time, for any reason.

Violations of any of these rules by 4-H or FFA members will result in disqualification from any and all Sublette County Fair contests, events, and shows, including the livestock sale. Any awards already received will be forfeited. Violators will be asked to remove their animal(s) and/or exhibit(s) immediately.

- **Entry Submission:** Exhibitors can submit most entries online using the link provided at www.sublettecountyfair.com. There are no entry fees, unless otherwise noted.
- Exhibitors in the Sublette County Fair are limited to youth enrolled in the Sublette County 4-H and/or FFA programs, with exceptions for the open class events.
- The Sublette County Fair Board reserves the final and absolute right to interpret these rules and regulations, and arbitrarily to settle and determine all matters and differences that may arise.
- **Ethics:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method of altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in the con-

formation or with intent to deceive relative to the animal's soundness, will be disqualified. Every exhibitor, in consideration of their entry being accepted by the Sublette County Fair, agrees to submit any animals so entered, to inspection by a veterinarian appointed by the management, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian as to whether such animal is unethically fitted or over age, shall be final, without recourse against the Sublette County Fair, its management team, or any of its representatives.

- **Decision of Judges Final:** The decision of the judges will be final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the Sublette County Fair Board from whose decision there can be no appeal.
- **Interference with Judges:** If any exhibitor, in any way, whether the person or by the representative, interferes with the judge(s), or shows any disrespect to them or to show officials, fair management may excuse him/her from the ring and exclude him/her from further competition; exhibitor premiums or awards that have been awarded may also be withheld.
- **Unworthy Exhibit:** Judges shall not award a prize to an unworthy exhibit. It is the intention of fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving. No animal or articles shall receive a prize when deemed unworthy by the awarding judges, though it may be the only one of its kind entered. When an animal or article is unworthy of first prize, it may be awarded second or third or none, as the judges deem worthy.
- **Overnight Security:** There will be overnight security on the fairgrounds and in the Event Center for the duration of fair. The Event Center will be locked and no entry will be permitted into the building between the hours of 10:00PM and 5:00AM. Passes can be provided for exhibitors, on a case by case basis, if they have a sick animal that may need

checked throughout the night. Exhibitors must contact 4-H or FFA staff and Fair Management before they are given a pass.

- The fair board will take all precautions for the safekeeping of stock and other articles, but will NOT be responsible for any loss or damage that may occur. Exhibitors must give personal attention to their articles and at the end of fair, attend to their removal.
- Exhibits, excluding livestock, must remain in place until Sunday, July 26 at 8:00AM.
- Any 4-H or FFA animal shown at the fair must be owned by a Sublette County 4-H or Pinedale FFA member and entered in that name.
- Exhibitors or superintendents will not be allowed to influence the judging by comments or criticisms.
- Superintendents or show staff may create new classes if there is a demand.
- **No bicycles, scooters, hover boards, or similar items will be allowed in the buildings during fair.**
- **No dogs are allowed in any buildings during fair.**
- **No smoking is allowed in any building during fair.**
- **RV Spaces & Camping During Fair:** RV spaces will be offered for a \$100 fee. Those paying the fee will have the option to reserve a space and bring their camper to the fairgrounds beginning Sunday, July 19. The fee must be paid during the online entry process and submitted with 4-H/FFA entries. After payment has cleared, you will be contacted via email with a map to reserve a space. Spaces will be assigned in the order payment was received. Any remaining spaces will be available on a first-come, first-served basis beginning Monday, July 20 at 8:00AM. No saving of spaces is allowed prior to this time. Spaces may only be saved with an RV. All campers must display a "camping permit" in the rear window or near the door of their camper. The permit must be able to be seen from outside the camper. No tents are allowed to utilize a RV hookup space. If you have a small RV, please be courteous and use one of the smaller spaces so those with larger RVs have room to park. Do not take up more than one space. There is an RV dump on site. There will be designated areas that fair staff will allow dry camping during fair, if all of

the RV spaces are full or if you would prefer to dry camp. There is no charge for dry camping. By parking at the fairgrounds, you understand all of the rules and regulations and release the Sublette County Fair from all liability of any kind and character on account of loss, damage, or injury to this or any other property which may be at the fairgrounds.

GENERAL RULES & REGULATIONS

2026

RIBBONS

Most Sublette County Fair exhibits and animals are judged using the modified Danish judging system as outlined below:

- **Excellent (Purple):** A purple is given to those entries or members who most nearly meet the standards established for the particular class or level of performance. Excellent does not indicate perfection, but is a wide grouping indicating a high degree of achievement toward the elements in the standards for the exhibit.
- **Good (Blue):** A blue is given to those exhibits or individuals who rank good in relation to the particular standards or expected achievement of the class or contest. Either the general level of the accomplishment is less than excellent or enough specific shortcomings are found to cause the placing to drop from excellent to good.
- **Fair (Red):** A red is given to those exhibits or contestants who, upon evaluation, are found lacking and rate only average, acceptable, or satisfactory rating for the standards established.
- **Poor (White):** A white award may be given if exhibits or individuals who, for one reason or another, fail to produce that level of achievement which can be reasonably expected in relation to the specific class or performance in which they are entered.

In addition to the above awards, purple and lavender rosettes may be awarded. It is important to note that if the judge feels the quality of the project does not deserve a rosette, he /she does not have to award. For example, if there is only one entry in a division, that does not automatically qualify it for a purple rosette. In order to receive a rosette, the exhibit must have a purple ribbon. Blue, red, and white ribbon exhibits or animals do not qualify for grand or reserve ribbons or awards.

The 4-H horse and shooting sports projects are judged using a modified American judging system where placings are awarded. Exhibitors will receive 1st-6th place ribbons. Those not placing 1st-6th will receive an orange ribbon if they completed the class without disqualification. Those who did not successfully complete the class or those who disqualified will receive a white ribbon.

PREMIUMS

Premiums are awards given in the form of cash to exhibitors. They are awarded to all exhibitors in 4-H/FFA and Open Class projects. The Sublette County Fair awards premiums on a basis of \$5 for a purple ribbon, \$3 for a blue ribbon, and \$2 for a red ribbon for most events. Horse show and shooting sports premiums will be awarded on a basis of \$5 for 1st-3rd place, \$3 for 4th-6th place, and \$2 for all other successful completions of a class. White ribbons are not eligible for premiums. Premiums will be available for pickup in the fair office on Saturday, July 25 and Sunday, July 26 from 8:00AM to 2:00PM. Any premiums not picked up during the specified times will be forfeited. Premiums will not be mailed for any reason. If you are unable to pick up your own premiums, please fill out the premium release below and return it to the fair office. Premiums will not be given to anyone other than the exhibitor or his/her parents/guardians without a signed release.

No glass is allowed in any type of frame. Photography and art exhibits that do not hang properly will not be displayed and may be disqualified. Quilts do not need to have a sleeve for hanging.
- Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the fair staff, may not be allowed to be publicly displayed and/or judged.
- Oversized exhibits will be displayed as space permits.
- Exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.
- Awards will be given on merit only and will not receive a ribbon if deemed unworthy by the judges, though it may be the only one of its kind entered.
- There is no limit on the number of entries per exhibitor, but you may not enter something that has been entered in previous fairs.

4-H & FFA STATIC EXHIBIT RULES

2026

- **Entry Deadline:** All 4-H and FFA static exhibits must be entered by July 1, 2026 through Fair Entry.
- **Interview Judging:** All 4-H and FFA members bringing static exhibits to fair are encouraged to attend an interview with the judge to present what they learned. Interviews with judges are worth 60% of overall score on project. Interview judging will begin at 9:00AM on Friday, July 17, 2026. Each member will be designated a specific time to meet with the judge and as much as possible should adhere to that schedule. If a member is unable to attend interview judging they may still have their exhibit judged, but should make appropriate arrangements to have the item to the Commercial Building no later than 9:00AM on July 17.
- Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, and additional help from others.
- Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered (i.e. entry in leathercraft is evaluated on leathercraft skills).
- **Exhibit Hanging:** Posters, pictures, artwork, and photography exhibits should come with a method for hanging them on hooks attached to pegboard. If the items cannot be hung, they will be displayed on the floor or table. No glass is allowed in any type of frame.
- **Display Boards:** Display boards or poster boards must be able to stand on their own.
- Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the 4-H Office, may not be allowed to be publicly displayed and/or judged.
- Oversized exhibits will be displayed as space permits.
- Exhibitors are limited to ten entries per division.
- Static exhibits that are too big or fragile as determined by staff may not be taken to state fair.
- 4-H exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.
- **Exhibits:** All non-livestock exhibits must be in place in the 4-H department by 9:00AM on July 17, 2026.
- **Exhibit Release:** All non-livestock exhibits will be released from 8:00AM to 2:00PM on Sunday, July 26. Exhibits will not be released early. Any exhibits not picked up will be thrown away or donated elsewhere. Reasonably sized 4-H exhibits receiving purple ribbons will be taken to State Fair by Sublette County Extension staff — those exhibitors should pick up their ribbons only.

4-H & FFA RULES

2026

- **Entry Submission:** All 4-H and FFA entries must be submitted online, following the link at www.sublettecountyfair.com no later than 11:00PM on July 1, 2026. Youth needing assistance with the online entry system may receive help at either the fair office in Big Piney or the Extension Office in Pinedale. Late entries will be accepted for one week following the original entry deadline. All late entries must be approved by fair management and the submission of a \$100 fine per entry will be due at the time of submitting late entries.
- **Shooting Sports:** All shooting sports will follow the rules outlined in the Wyoming State 4-H Shooting Sports Rules & Regulations booklet, which can also be found following this link: https://www.uwyo.edu/4-h/opportunities/state-contests/state-shoot/_files/2025-state-shoot-rules-and-regulations.pdf.
- **Market Livestock Tagging & Ownership:** All youth entering market livestock in the Sublette County Fair must own and have that animal tagged with the WY State issued tag by the appropriate program (4-H/FFA) by the tagging/ownership deadline for that species (Beef: February 1, 2026) (Sheep, Goats, Swine: June 1, 2026). Youth are allowed to tag as many animals as they wish. All small livestock (sheep, goats, swine) are required to make a tagging day. The only exception is if there is a family emergency. The exhibitor does not have to be present but their animal must be at the tagging day or they will not be eligible to show at fair.
- **Separate 4-H and FFA Entries:** Per the June 2021 MOU between University of Wyoming Extension 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their 4-H project or their FFA Supervised Agriculture Experience and enter the correct classes/divisions endorsed by their applicable organization.
- **Floater / Family Animals:** A "floater" animal may be tagged as a family animal with a listing of all children's names included with it. The family animal can be tagged for all children of the family as long as the animals are being raised together. The animal needs to be entered for show by the fair deadline. At weigh-in, the family can designate which child that animal is to be assigned to permanently. For a family animal to be eligible to show at the Wyoming State Fair, it must adhere to the established ownership and tagging deadlines, be listed on the county tagging worksheet, and must have been exhibited under a single exhibitor at the county level. All other rules still apply to the family animal (i.e. tagging dates, weights, ownership deadline, etc.).
- **Scrapies ID:** All sheep and goats (including wethers) must be identified with approved USDA Scrapie identification which includes an official USDA Scrapie ear tag or legible tattoo accompanied by registry paperwork or a microchip with official veterinary application certification and reader.
- **Proof of Ownership:** Exhibitors must have proof of ownership (bill of sale or brand inspection) in the exhibitor's name prior to fair. Brand inspections are required for beef and sheep. A bill of sale is required for swine and goats. All brand inspections, bills of sale, and health inspections will be checked at the entrance of the fairgrounds by a local brand inspector.
- **Health Inspection:** Any livestock, including rabbits or chickens, and excluding horses, shown in the youth or open shows must have a veterinary health inspection within ten days of the respective animal check-in/arrival on the fairgrounds. If anyone sees an animal with questionable health issues, the animal may be quarantined on the grounds until examined by a vet. The owner of the animal may be subject to any vet fees. Lisa Jones, DVM will make the final decision regarding the health of all animals. The Fair Board, 4-H and FFA will not be responsible for any related expenses. The Fair Veterinarian shall make the final determination at any time during fair when an animal is deemed unfit to be on fairgrounds due to health issues. At such time a youth is informed that an animal must leave the fairgrounds, the fair veterinarian shall be accompanied by a Fair Board member and the FFA advisor and/or 4-H Extension Educator.
- **Companion / PeeWee Animals:** Prior to the fair entry deadline, 4-H and FFA members must contact the extension office if they want to bring a companion animal. Ap-

4-H & FFA RULES

2026

proval will be based upon justification of the need and space availability.

- **Breeding Animals:** Breeding animals may come for show-day only, so long as the 4-H or FFA youth has contacted program leadership (4-H agent or FFA advisor), prior to the entry deadline.
- **Livestock Exhibit Check-In:** 4-H and FFA swine exhibits must be on the grounds by 8:30AM on Wednesday, July 22. All other 4-H and FFA livestock exhibits (excluding horses) must be on the grounds by 10:00AM Wednesday. Exhibitors violating this rule will not show or participate in the livestock sale. Exceptions are by emergency only. Decisions are made by at least five Livestock Committee members at weigh-in. The Livestock Committee consists of all active 4-H livestock leaders, a Fair Board member, the FFA Advisor, and the 4-H Extension Educator.
- **Weigh-In:** Market swine will begin weigh-in at 9:00AM on Wednesday, July 22, followed by sheep and goats. No sheep and goats will be allowed in the wash area until swine showmanship has begun. Market beef will follow sheep and goat weigh-in.
- **Weigh Backs:** An animal may be weighed-back once, only if the minimum weight requirement is not met, immediately after weigh-in for that species has finished. If any contestant uses artificial means, such as drenching, to make an animal meet requirements, that individual will be barred from competing at the fair. Should an animal not make weight, the contestant will still be allowed to show in a feeder class at the fair, but not to sell.
- All exhibitors must show their own animal at both the Sublette County and the Wyoming State Fair. Only the exhibitor may be in the ring when showing their animal. If a youth has multiple animals within a class at either venue, then the youth may designate a Pinedale FFA or Sublette County 4-H youth to exhibit an animal for that class. Furthermore, any youth exhibiting livestock at either the Sublette County or the Wyoming State Fair must be the animal's primary caretaker for the entire duration of fair. All pens and surrounding areas must be cleaned and animals fed and watered on a daily basis by the exhibiting youth. Failure to do so will result in removal of the unattended

animals from the fairgrounds. Decisions of removal are made by at least five Livestock Committee members.

- All animals will remain tied or penned in the buildings.
- If an exhibitor is not present for the last call into the ring, he/she will be denied entry into the class and will be scratched.
- It is recommended that there will be up to ten entries in a livestock class. Beyond ten entries, the entries will be broken such that there will be a minimum of five in each lot. If the class is divided by number, the division will be determined on scale order.
- Classes may be combined as needed, as decided by staff, superintendents, fair board, and program leadership. For the swine divisions, any division with less than five swine, will compete as AOB.
- Any livestock deemed uncontrollable by the superintendent in charge will be excused from showing on the fairgrounds depending upon the severity of the situation.
- **Fitting Rule:** A 4-H or FFA member is expected to fit their own animal at fair. However, in the interest of safety and the educational mission of the 4-H and FFA programs, a 4-H/FFA member may be assisted by immediate family members, another Sublette County 4-H or Pinedale FFA member, the Pinedale FFA Advisor, or a Sublette County 4-H leader/4-H Educator. No professional fitters or outside help allowed. The exhibitor must be present during any fitting. Assistance is defined as a learning situation where the person assisting is teaching the 4-H/FFA member a technique in fitting or showing. They are only to show how; the member is expected to perform the majority of each technique and/or skill required. If there is a complaint or concern, it needs to be addressed before the show starts and taken to the superintendent of that species. If the Fair Committee decides there is a violation of this rule, it may result in the disqualification of the animal and the forfeit of premiums and awards. If a 4-H/FFA member is found to be in violation of the fitting rule, he/she will not be allowed to show in any 4-H or FFA division at fair, including the showmanship and Round Robin contests. The Fair Committee for each livestock division will be the livestock superintendent(s) for the species, a Fair Board representative, the

4-H & FFA RULES

2026

FFA Advisor, and the 4-H Extension Educator.

- Animals used in showmanship must be owned and fit by the exhibitor.
- No bulls, boars, rams, or buck goats allowed in showmanship.
- There will be six classes of showmanship (they will show in the following order): Senior 4-H, Intermediate 4-H, Junior 4-H, First Year 4-H, FFA, and Peewee.
- Market steer, swine, lamb and goat classes will be determined by weight.
- There will be a feeder class for all underweight animals at fair. Those animals will not be eligible to sell in the Junior Livestock Sale, but they will be judged in the feeder class as prospect animals and receive ribbon placings as such.
- The same animal may not be shown in both breeding and market classes, they must be in one or the other.
- **Overnight Stalling for Beef:** Beef may be stalled in the horse stalls overnight. In order to stall in the horse stalls overnight, exhibitors must sign up for stalls by July 15 using the google form available through the fair office. A \$100 deposit per stall is required before stalling. Exhibitors must totally strip and clean stalls by 1:00PM on Sunday, July 26 in order for the deposit to be returned. Beef may move to the stalls after 9:00PM and must return to the Event Center by 7:00AM.
- **State Fair Animals:** Exhibitors must declare animals destined for state fair Friday, July 24 by 3:00PM. If you are planning to attend State Fair, please familiarize yourself with the new State Fair rules, especially for goats.
- **Unsportsmanlike Conduct:** Unsportsmanlike conduct (i.e. inappropriate language / actions) by an exhibitor may be cause for immediate disqualification of the exhibitor from the show, at the judge's discretion. Unsportsmanlike conduct (i.e. inappropriate language / actions) by a parent, leader, or others may be cause for immediate removal of the person from the Sublette County Fairgrounds at the discretion of the Fair Board.
- **4-H Code of Conduct:** Members should not use alcoholic beverages or other drugs at any 4-H function. Aspirin and other similar products and drugs prescribed by a physician are exceptions.
- Violation by a member shall result in the loss of 4-H privileges for the remainder of the 4-H year, including exhibiting at the county fair, participating in the live-stock sale, and attending the state fair.
- Adult volunteer leaders should adhere to the same high standard expected of the members.
- **4-H Chaperoning Policy:** Chaperones for county functions must be recognized 4-H leaders. A recognized leader is an individual who has successfully completed screening, leader training, and signed a 4-H Leader Agreement form (effective October 1 of the current year). Non-recognized 4-H leaders must not have unsupervised access to 4-H youth. This is particularly important for any overnight functions.

Smaller framed market beef that do not weigh 1050 pounds may also gain eligibility to the sale using the following formula: $\text{measured hip height} \times 22.5 = \text{minimum accepted market weight} \times .97$ (3% allowance for weight loss due to stress) = minimum accepted weight. Market swine over 315 pounds may sell in the Junior Livestock Sale, only if the youth agrees to be paid only on 315 pounds.
- The Fair Veterinarian shall make the final determination at any time during fair when an animal is deemed unfit to be on fairgrounds due to health issues. At such time a youth is informed that an animal must leave the fairgrounds, the fair veterinarian shall be accompanied by a Fair Board member and the FFA advisor and/or 4-H Extension Educator. Section 2: Policies

- The show will be run according to the current Sublette County Fair Book and 4-H Equine Competition Guide.
- Exhibitor is responsible for the accuracy of the entry. Errors can constitute an ineligible entry.
- Any horse suspected of ill health may be dismissed from the fairgrounds with veterinarian recommendation.
- Wearing of equestrian helmets is strongly encouraged.
- In the interest of safety, an exhibitor's horse may be saddled, bridled, and tack change made by someone other than the exhibitor. When an exhibitor needs assistance, a parent, 4-H leader, FFA advisor, and/or junior leader is encouraged to provide that assistance and coaching prior to entering the arena.

- Absolutely no mistreatment of animals will be tolerated.
- Contestants and other persons may approach the judge with questions at the conclusion of the show each day.

Section 3: Rules

- **Horse Certifications:** 4-H exhibitors must have a Horse Safety Certification filed in the county extension office as of July 1, 2025 and FFA exhibitors must have a Horse Safety Certification filed in the FFA office as of July 1, 2025 for any horse to be eligible for the Sublette County Fair. Members must be safety certified on any horse they enter and for every event they enter with that horse. In the event a member is unable to show the horse they have entered, a horse substitution may be made on show day provided the member is safety certified on that horse and the member's leader and /or veterinarian confirms the entered horse is unable to be shown for health reasons.
- **Last Call:** If an exhibitor is not present for the last call into the arena, he/she will be denied entry into the class.
- **Show Attire:** All 4-H exhibitors will wear black or blue jeans, a long-sleeved western shirt with a collar, and a western hat or helmet for western classes and English attire for English riding classes. FFA members must be in official dress.
- **Unsportsmanlike Conduct:** Unsportsmanlike conduct (i.e. inappropriate language/actions) by an exhibitor may be cause for immediate disqualification of the exhibitor from the show, at the judge's discretion. Unsportsmanlike conduct (i.e. inappropriate language/actions) by a parent, leader, or others may be cause for immediate removal of the person from the Sublette County Fairgrounds at the discretion of the Fair Board.
- **# of Horses / Class:** Exhibitors are limited to two horses per class (halter, showmanship, equitation classes, hunter under saddle, hunter hack, western pleasure, and working cow are limited to one horse per exhibitor).
- **First Year Showmanship:** This is for exhibitors in their first year of the horse project, and eight, nine, or ten years old. Participants who enter the first year showmanship class are not eligible to become state fair delegates. If a first year member wishes to compete for a chance to be the state fair delegate, they must enter the junior showman-

ship division. The exhibitor may NOT enter both classes.

- An exhibitor must be in either the Junior age group or First Year / Walk-Trot. They cannot exhibit in both.
- **Cattle Classes:** All cattle classes are open to all youth who have passed the safety endorsement test. There will be a separate "cattle class" certification required for youth entering these classes. The 4-H program will provide at least one opportunity for youth and they must attend the organized certification event with cattle in order to be certified. Members entering cattle classes that are not certified will be scratched from the classes by show staff. **All entrants in stock classes will pay a \$60 cattle and/or \$10 goat stock charge. Stock fees MUST be paid to the Extension Office by July 1, 2026 and will NOT be refunded if exhibitor scratches the class.**
- **Exhibitor Numbers:** Each exhibitor/horse combination will be assigned exhibit numbers by the horse show secretary. The exhibitor is required to display the correct number when showing.
- **Partners:** For classes requiring a partner, the entrants partner must be listed on the entry, otherwise entrants will be removed from the class. Participants MUST be entered with a partner of the same age group or they will receive NO points towards all-around.
- **Team Events:** Contestants may enter the team events twice, but with different partners.
- **Stalls:** There are stalls available for overnight use if needed. All reservations for overnight stalls must be made through the fairgrounds office. Please contact Brianne Brower at 307-276-5373 to reserve a stall.
- **All-Around Awards:** There will be All-Around awards given in each age division. The first year showmanship class, halter classes, Western Pleasure, and Hunter Under Saddle will not count towards All-Around. Only one showmanship class (4-H or FFA) will count towards All-Around, the highest points will be counted. All-Around will be awarded based on a horse / rider combination. Points from Horse A and Horse B will not be added together for the exhibitor. A DQ or no time, will not be awarded any points. Showmanship will be used as a tie-breaker for All-Around, should it be necessary.

- The point system for calculating the All-Around awards is as follows:

Place —>	1	2	3	4	5	6
6+ Horses	6	5	4	3	2	1
5 Horses	5	4	3	2	1	
4 Horses	4	3	2	1		
3 Horses	3	2	1			
2 Horses	2	1				
1 Horse	1

JUNIOR CAT & DOG RULES

2026

CAT SHOW RULES

- The “household pet” cat is of mixed breed or unknown decent.
- A purebred cat is one belonging to a recognized breed with characteristics maintained through generations of unmixed descent; may be registered with a recognized registry.
- **Age Requirements:** Kittens must be at least four months old and not older than eight months of age. Adult cats are older than eight months of age. Because of susceptibility to disease, no kitten under four months of age will be accepted for competition.
- No pregnant or nursing cats may be entered.
- **Claws:** All cats and kittens must have their claws clipped. Declawed cats may enter the show and will not be counted down for declawing.
- Do not enter your cat if you feel it will not be easily handled by the judge.
- **Harness or Collar:** Each cat or kitten must be wearing a harness or collar (not a safety collar) and a leash. The exhibitor must always wear the leash on their wrist for safety reasons.
- **Carpet Squares & Cages/Carriers:** Exhibitors must furnish their own carpet square during judging. Exhibitors must provide a proper cage or carrier for their cats / kittens. Exhibitors must bring their own litter and litter box.
- **Show Attire:** All exhibitors should wear long sleeve shirts or blouses with trousers or skirts. No shorts.
- **Vaccinations:** Cats must have current rabies and distemper shots. It is strongly suggested, but not mandatory, that all entries have the combination vaccinations, plus feline leukemia. Vaccinations should not be received within three weeks prior to the show.
- **Cat Health:** Cats found to be ill or with parasites (fleas, ear mites, etc.) will not be allowed to show and will be dismissed from the grounds.
- **Cat Health:** No cat or kitten may enter the show if there is any (feline) infectious or contagious disease in the household within three weeks prior to the show date.

DOG SHOW GENERAL RULES

- **Age Requirements:** All dogs must be at least six months of

age by May 1 to compete at the 4-H Dog Show and one year of age by May 1 for agility classes.

- **Dog ID Forms:** Youth should have a copy of their 4-H Dog ID form submitted by May 1 to the Extension Office.
- **Leashes:** All dogs must be on leash (excluding competition) and under control at all times. Dogs must not be taken in areas where livestock are unloading.
- **Vicious Dogs:** Vicious dogs will be dismissed from the ring and must be removed from the premises.
- Females in season will be allowed in classes. However, they will go through at the end of all classes.
- Spayed, monorchid, and neutered dogs may be shown without judging discrimination.
- Dogs must be clean and well groomed.
- The show committee reserves the right to ask anyone violating these rules to leave.
- No class will be held up for a contestant in a different show.
- **Jump Height Cards:** Entries for rally and agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

DOG SHOW OBEDIENCE RULES

- **Entries:** A 4-H member may compete in only one obedience class per dog, with a total maximum of two entries (dogs). Their first dog is referred to as the “A” dog. The other is referred to as the “B” dog for class entries.
- The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year class only once.
- An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice A. Same applies for moving in B classes.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member or a dog that has a title from another organization or has at least three qualifying

JUNIOR CAT & DOG RULES

2026

scores from the designated annual county 4-H show must show the dog by these guidelines: o Junior and Intermediate age exhibitors may move back or down one level o Senior age exhibitors must show the dog at the highest level the dog has achieved.

- **Qualifying Scores:** A dog receiving a qualifying score of at least 170 points at the designated annual county 4-H show may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
- High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
- **Score Sheets:** The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- **Leashes:** All dogs must enter and leave the show ring and compete with a leash.
- Bait and/or toys are not allowed in the obedience competition.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

DOG SHOW CONFORMATION RULES

- **Leashes:** All dogs must enter and leave the ring on a leash.
- Classes will be subdivided by breeds within a class, if numbers warrant. First place winners in classes 012- 021 will compete for the Best in Show award in conformation.
- Exhibitors entering more than one dog in any class may be assisted only by another 4-H member (from the same county, if possible), if the dogs must be shown at the same time.
- Classes 012-019 will be judged according to AKC standards, but it is not necessary that dogs be registered; they must be purebred - both animal parents of the same breed.

- Classes 020 and 021 are for cross-bred dogs (parents of different breeds) and will be judged according to the predominant breed characteristics and/or soundness, gait, condition, and grooming.
- Before entering your dog, check the list of breeds that are eligible for each group. It can be found online at <http://Wyoming4H.org> under the dog projects tab.

DOG SHOW AGILITY RULES

- **Age Requirements:** Dogs must be at least one year of age by May 1, 2026.
- State entrants must achieve qualifying scores at their county level before competing in the State 4-H Dog Show. The level at which a member qualifies at the county level is the level in which they will compete at the State 4-H Dog Show.
- **Qualifying Scores:** A dog receiving a qualifying score of at least 75 points at county 4-H show may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated county 4-H show. Once the higher level in agility is selected for the dog, the member may not drop back to the lower level with the same dog.
- Youth, with a dog shown in previous years by another 4-H member or a dog that has a standard agility title from another organization, or has received three qualifying scores from the designated annual county 4-H show, must show the dog under these guidelines:
 - Junior and Intermediate aged 4-H youth may move "back" or "down" one level.
 - Senior aged 4-H youth must show the dog at the highest level that the dog has achieved.
- All dogs must enter and leave the ring on a leash.
- Level 1: Dogs will run on a leash six foot in length.
- Level 2: Dogs must run off leash or with a tab no longer than six inches. Collars must be of a flat, buckle variety with nothing hanging from it such as tags.
- Bait is not allowed in agility competition.
- Dogs in season will run at the end of each class.
- A time for all handlers (only) to familiarize themselves with the course they are competing in will be established and

JUNIOR CAT & DOG SHOW RULES

2026

announced.

- Fastest times will be used to break ties on scores at all levels.

DOG SHOW RALLY RULES

- Eligible entries are identified and entered by each county 4-H educator.
- A dog can be entered in only one rally class.
- A dog must advance levels after receiving three qualifying scores except for the (RAE). Once a level is selected for the dog, the members may not drop to a lower level. RAE class in indefinitely.
- Dogs soiling in the ring will be disqualified.
- **Leashes:** All dogs must enter and leave the ring on leash. Those competing in on leash classes should do so with a 6-foot leash.
- Collars may be flat buckle (leather or nylon) or choke chains.
- No bait (dog treats or toys) is allowed in the ring.
- **Rally Advanced Excellent (RAE) Class Only:** Participation ribbons will be given in the advanced and excellent classes regardless of qualifying score. If qualifying scores are received in both classes, then placement ribbons will be given.
- Classes are based on the age of the youth and the experience of the dog.
 - **Novice Dog:** A dog competing which has not obtained three qualifying scores from competitions nor has a rally title from another organization.
 - **Pre-Advanced Dog:** A dog which has received three scores as a novice dog, but has not earned a qualifying score as an advanced dog.
 - **Advanced Dog:** A dog which has received three qualifying scores from competitions, received a score of at

least 70 points in a novice dog class, or that has a rally title from another organization.

- **Excellent Dog:** A dog which has received three qualifying scores from competitions, received a score of at least 70 points in an advanced dog class, or that has a rally title from another organization.
- **Rally Advanced Excellent:** After receiving three qualifying scores from competitions, the handler and dog move up to this level. At this level, the handler and dog will compete in both advanced dog and excellent dog classes at the same show. The handler and dog must earn a qualifying score of 70 in each of the classes (advanced and excellent) to earn ribbons or prizes. Handler and dog may show at this level indefinitely.

JUNIOR POULTRY & RABBIT RULES

2026

POULTRY RULES

- **Check-In:** All poultry must check-in by 9:00AM.
- **Health Inspections:** Any sick or diseased animals may not be allowed on ground and / or be disqualified and must be removed from the grounds immediately.
- Individual birds entered in trios or fryer pens will not be permitted to compete for individual prizes or compete as part of another trio or fryer pen.
- **Ownership Requirements:** All birds must be owned by the exhibitor by June 1, 2026 to be eligible to show. If less than three birds are entered in a class, they will be combined with a similar class as determined by show management.

RABBIT RULES

- If an animal is shown in a fur class, it must also have been shown in its respective breed class. Animals disqualified for reasons other than health may still show in the fur class. Fryer fur animals should be shown out of a meat pen only.
- Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card.
- Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.
- All wool breed rabbits are shown together and will be separated into two groups, white and colored. Breeds for the wool classes are English Angora, French Angora, Satin Angora, Giant Angora, American Fuzzy Lop, and Jersey Wooly.

JUNIOR POULTRY & RABBIT RULES

2026

- The Round Robin Showmanship contest is an avenue for 4-H members to learn about other species of livestock. Each Round Robin Showman will not only be judged on the fitting and showing of their own animal, but also on their abilities in showing other species of livestock.
- Belt buckles will be awarded to the Grand and Reserve Champion Round Robin Senior Showmen. A certificate for an embroidered jacket will be awarded to the Grand and Reserve Champion Round Robin Intermediate Showmen.
- The Sublette County Junior Livestock Sale Association will award a \$200 scholarship to the winner of the Senior Round Robin contest and a \$100 award to the Reserve Champion. The scholarship will be paid out after the fair of the youth's senior year and is to be used towards furthering their education with any post-secondary training.
- The senior contest is open to senior 4-H members (14-18) who qualified in their respective showmanship contests: beef, lamb, swine, horse, and goat. The intermediate contest is open to intermediate 4-H members (11-13) who qualified in their respective showmanship contests: beef, lamb, swine, horse, and goat.
- Eligible contestants will be contacted after qualifying with any details on time, locations, and any additional information.
- The intermediate contest is not a 4-H supported event, therefore the 4-H program accepts no liability for the contest.
- The top two senior and intermediate showmen (4-H, grand champion and reserve champion) from the following livestock showmanship contests: beef, swine, horse, sheep, and goat, will be eligible to compete in the round robin. Contestants must fit their own animals.
- In the event a member qualifies in more than one contest, he will compete in the round robin with the first animal he/she qualified with, allowing the second-place contestant in the second contest to move up.
- Members must show the same animal they exhibited in the original division showmanship contest. Members must also fit their own animal.
- There will be one judge for each species. The judges will score each contestant up to ten points for fitting of their own animal; these points will be used only for tie-breaking.
- The contestants will be showing each species of animal for five minutes. The judges will give up to ten points.
- Contestants must qualify in their contest in order to compete in the round robin. Also, judges will be picked prior to the fair and scorecards will be made.
- Contestants must provide their own animal holder to stay with the animal while contestants are moving to different species.

SATURDAY NIGHT: CONCERT RACYNE PARKER

Racyne Parker is a Pacific Northwest–based singer-songwriter blending country, folk, and Americana with heartfelt storytelling and emotional authenticity. Rooted in her small-town Oregon upbringing, her songs explore themes of home, ambition, and self-discovery. A finalist in the Telluride Troubadour, Kerrville New Folk, and Rocky Mountain Folks Fest songwriter competitions, she has played rooms ranging from dive bars and listening rooms to county fairs and festival stages. Her debut album, *Will You Go With Me?*, was featured in Bandcamp’s Best Country Music of 2025 and praised as “open and inviting, meticulously crafted, ultra-melodic and uplifting — about as radio-ready as roots music gets.” With a warm, engaging presence, Racyne creates space for storytelling, connection, and shared moments through her music.

KALYN BEASLEY

Born and raised in Wyoming, Kalyn Beasley is the product of a rural, western upbringing in the least populated state in the U.S. “You don’t get any more rural than Wyoming, if that’s what you mean by country”, says Beasley. While attending Montana State University, “on a recreational basis”, as he likes to tell it, he found his passion in music and a gift for songwriting. He formed his first band with rodeo teammates and began writing and playing around Montana and Wyoming.

Recognized as a true lyricist in his songwriting as well as his entertaining performances, he’s able to draw the listener in with the humor and truth of his stories. Kalyn’s songs are meticulously crafted with clever and infectious ideas, melodies and hooks. “I write my own songs and tell my own stories. As a musician, poet, adventurer and outdoorsman my goal is for you to find a little bit of yourself in the songs I sing and the stories I tell”.

An authentic Westerner, his life as a cowboy, rodeo hand, pilot, bookseller and outdoorsman has furnished him with a novel palate from which to color his works. “I see inspiration every direction I look. I grew up at the doorstep of Yellowstone National Park in the Rocky Mountains and I don’t suppose I’m moving anywhere anytime soon.” Kalyn makes his home in the high, dry mountains of Northern Wyoming, land of geysers and grizzlies.
