VENDOR RULES

- You can access the vendor application [here](#). Vendor applications must be submitted using the Google Form link.
- Food vendor applications are due by June 10, 2025. All other vendor applications are due by June 25, 2025.
- Payment must be submitted by the application deadline.
- Vendors must keep their booths open during the required hours listed above and during any optional hours that they sign up for. If booths are not open during the required hours or optional hours, as signed up for, the deposit will not be returned. For outdoor vendors, it is strongly recommended that you remain open if there are still people on the fairgrounds and in the vending areas after 9:00PM.
- The fair staff will select a limited number of vendors for the optional hours July 18-22 and 27. Breakfast vendors must be open from 7:00AM to 10:00AM, but are allowed to open earlier if they so desire.
- No vehicles are allowed on the midway or in the vendor areas after 9:45AM daily, starting Wednesday, July 23. Vehicles cannot re-enter the vendor area until all fair guests have left for the evening.
- Booths may be set up on Tuesday, July 22. Those bringing vending trucks / trailers will be contacted to arrange a date and time that they can park.
- A tentative fair schedule is posted online at www.sublettecountyfair.com if you are interested in viewing the events happening daily. Please note that there will be much more added to the schedule, including entertainment.
- The Sublette County Fair Board reserves the right to refuse the sale of a specific product. The Sublette County Fair Board also reserves the right to refuse anyone from vending.
- All vendors are responsible for their set-up, property, and clean up.
- The booths are approximately 10'x10', unless otherwise requested.
- The Sublette County Fair Board is not responsible for any lost, stolen, or damaged articles.
- Applicants may request a specific space; however, the fair management reserves the right to assign areas.
- All booth exhibitors are required to keep their area in a neat and sanitary condition, and they must help police areas for trash. No glass of any kind is to be distributed.
- Booths and vendors should always be clean and presentable.
- Vendors must use safe food handling practices.
- Food vendors *only* selling drinks and baked goods, please contact Kailey at the email below before mailing payment.
- Only authorized vendors are allowed to serve alcohol. Any unauthorized vendor caught serving or distributing alcohol will lose all vending privileges.
- Space inside is limited as the static exhibits will also be in that building; however, this is a great space for vendors who would like to leave their items on display and have them locked up every night. The indoor booths will close at 7:30PM instead of 10:00PM.
- Space and power for food trucks is extremely limited. Please submit your application and payment early. Returning food truck vendors in good standing that apply early will be considered before additional food truck vendors are considered.
- All rules and regulations, written or verbal, set by the fair management must be followed and failure to comply will result in refusal of space at all future fairs.
- All vendors are responsible for payment of Wyoming sales tax on their products. Liability insurance for vendors is highly recommended.
- By submitting the vendor application, all vendors agree to indemnify and hold harmless the Sublette County Fair Board and other related organizations from and against all claims, losses, damages, fines, penalties, liabilities, expenses, etc. Vendors also accept liability for any damages or injuries caused due to negligence or any other cause during the fair.
