

NEW CONTEST - COMING IN 2022

RECYCLED RIBBON CONTEST

Beginning in 2022, we will have a "Recycled Ribbon Contest." You can either use your own old ribbons or pick some up from the fair office. If you would like to pick up ribbons from the fair office, please fill out this form and Kailey will contact you when the ribbons are available for pickup. Some examples of recycled ribbon projects include wreaths, quilts, picture frames, etc. The options are endless and we can't wait to see what you create! The fair would love to keep some of the projects that are created to use as decoration at future fairs!
